Trusted Cannabis Doctors and Advisors | **Medical Director:** Dr. Robert J. Brueck

Greetings!

If you have a certification for smokable cannabis, it is imperative that you call or [email](#) our offices as soon as possible.

We have been informed by the State of Florida's Office of Medical Marijuana Use that, effective June 28, you require new certification for smokable cannabis. Please note that you will not be able to purchase smokable cannabis as of July 12 unless you have contacted our office so that we can enter your new certification.

The Emerald team is standing by to handle this for you.

All that's required is for you to call or [email](#) our offices in Fort Myers or Naples and, within five minutes, we will enter your new certification. An appointment is not required.

When you call or [email](#), please provide your first and last name, patient number and date of birth.

Your well-being is our highest priority. We are doing our best to serve you, and to be knowledgeable about and in compliance with State law on your behalf.

We look forward to your call or [email](#) and to answering any questions you may have.

Sincerely,

Donald W. Ketterhagen, M.D.
