Dispensary Tours & Cannabis Holiday Cooking!

Do you experience anticipation when you visit a dispensary for the first time? We now offer one-on-one **exclusive dispensary tours** for patients who may experience a learning curve when they visit their dispensaries of choice.

Your guides are Emerald's patient care coordinators, Lou Thacker and Steven Montemoina. Both are dispensary experts with a special understanding of the routes of administration best for your condition.

The tours are offered on **Mondays and Thursdays, beginning at 2:30 p.m.** Lou or Steve meet you at the dispensary to help you choose the best products for you. For example, he selects specific dispensaries for vaping, tinctures and flower.

At the dispensary, you will meet with Lou or Steve and a dispensary representative for counsel. They ensure that you receive the right cannabis and route of administration recommended by your Emerald physician.

Call us at **239-202-0606** to reserve your spot.

We've already received positive feedback on the tours from patients who benefit from this invaluable Emerald asset.

We look forward to serving you.

Sincerely,

Dr. Don

Cooking with Cannabis: Holiday Chocolate!
Saturday, December 14, 1 p.m.

A few spots remain for our monthly "Cooking with Cannabis" class on Saturday, December 14 at 1 p.m. in our Ft. Myers office.

Bring your own distillate and learn to make chocolate from scratch. We'll have strawberries and bananas for you to dip into the luscious goodie.

Best of all, you'll leave with new knowledge, molds, chocolates and fruit so you can create the treats at home with your friends and family over the holidays (with or without the cannabis!).

The class is \$49 per person. Please reserve by calling **239-202-0606**.
