Greetings!

We are excited to announce that we will see patients in Fort Myers on [Saturday, May 18](#), from 10 a.m. until 1 p.m., and in Naples on [Saturday, May 25](#), from 10 a.m. until 3 p.m.

We understand that you may be busy during the week with work demands, and we are pleased to accommodate your busy schedules with more convenient hours.

More news: We are thrilled to welcome Dr. Patricia Dury to Emerald Medical as one of our certified medical marijuana doctors. Dr. Dury has 30 years' experience as an OB-GYN physician. Our patients will benefit from her understanding and warm touch, and her ability to connect with patients in a holistic way.

Dr. Dury has been based in Southwest Florida for 25 years. She earned her medical degree from the University of Florida and began her career as a registered nurse at Jackson Memorial Hospital in Miami.

We caught up with Dr. Dury between appointments:

"At Emerald Medical we are seeing patients with extraordinary improvements in the pain and discomfort caused by qualifying conditions. I have witnessed first-hand the transformation possible by medical marijuana treatment. It's a honor to be a part of this rapidly-growing medical field, and I look forward to being part of the Emerald Medical team and helping patients get their lives back."

If you are suffering from a [qualifying condition](#) and experiencing chronic pain, we can help! Call us in Fort Myers or Naples to find relief.

We look forward to joining you on your journey toward greater wellbeing.

Sincerely,

Donald W. Ketterhagen
